5) The Revised for the current year under 30 Grants for Public Improvements has taken into account the amount payable to the Mysore City Municipality for improvement of water supply, as government grant. The total as per Revised Estimates for 1933-34 is not likely to exceed the Budget grant taking into account the additional grant asked for In these circumstances, the additional grant is unnecessary The Government grant of Rs 40,000 may therefore be met out of the savings under 30. Grants for Public Improvements, and the loan of Rs 80,000 can also be met from the savings provision under "Loans to Municipalities and District Boards" in the current year's Budget
